SPARE COPIES (L)

I have the honour to request that Government may be pleased to renew the sanction accorded in Government Order No.1459 Ms.W., dated 16th May 1930, to the electrification of Holy Trinity church, Bellary.

2. The Accountant-General, Madras, states that as the sanction referred to in the Government Order quoted above has not been fully acted upon within a year, fresh sanction of Government is necessary for the payment of the grant-in-aid under Article 233 of the Civil Account Code Volume I.

Extract at (J)

3. The Government share of the cost of the installation may be met from the savings in the Conveyance Allowance drawn by the Chaplain of St.Thomas' Mount for holding charge of Pallavaram and referred to in Government Order No.32 Ms. Finance (Ecclesiastical) Department, dated 19th April 1932.

Page 191-192 of (K)

4. As Bellary is a hot place, and fans are absolutely necessary, especially so as the punkahs had to be removed to permit the wiring to be done, I have further to request that the sanction of Government may be expedited.

I have the honour to be, Sir,
Your most obedient servant,

W. R. Crichton

THE SECRETARY TO THE GOVERNMENT OF MADRAS,

Public Works and Labour DEPARTMENT.

SIR,

With reference to Government endorsement No. 1786 C/32-1 dated 28-5-32 on the above subject, I have the honour to state that the provisions of para 192 of the Madras Public Works Department Code are applicable only to sanctions to Estimates for works but not to sanctions to grants-in-aid. Renewal of

sanction is necessary for the payment of the grant-in-aid under article 233 of the Civil Account Code, (Volume I).

2. The sanction of the Government of India was required in this office letter No.T,-22-Eccl-139 dated 20-11-3● as the re-appropriation then proposed involved transfer of funds from ' Pay of officers'. As the Government share of the cost of installation is however now proposed to be met from the savings in " conveyance allowance ", the Local Government is competent to sanction funds under Rule 9 (e) and 51 of the Government of India, Book of Financial Powers.

Para. 3 on page 1C.F. The expenditure is debitable to "41 - Civil Works - Central" and presumably it can be met from the appropriation sanctioned for the current year under this head of account. From the A. G., No. Eccl. 22-21, d 4.8.32

In G.O. 1459 w., d 16.5.32 sanction was accorded to the installation of electric lights and fans in Holy Trinity Church, Bellary. The estimated cost was Rs. 1550; it was to be restricted to Rs. 1500 if the Church authorities were not able to raise their subscription to more than Rs. 750. The Govt. grant was to be limited to half the aggregate cost.

The sanction was not fully acted upon within the year 1930-31 and the Ven'ble the Archdeacon requests now at the instance of the A. G., renewal of the sanction under Article 233 of Civil Account Code, Vol. I.

2. No provision has been made in the current year's budget to meet the expenditure on account of the Govt. grant (Rs. 775). The Ven'ble the Archdeacon proposes to meet it from the saving (Rs. 935) on account of the reduction from Rs. 150 to Rs. 50 a month

of the conveyance allowance of the Chaplain of St. Thomas Mount ordered in G.O. 32 Ecc., d 19.4.32. He has forwarded a reappropriation statement for the sanction of Govt. and the A.G. says that the Local Govt. are competent to sanction it.

Para 6 C.F

3. In regard to the saving left after the reappropriation viz. Rs. 160 (935-775), the A.G. suggests that it may be surrendered to the Govt. of India. But the Govt. of India have stated in another connection that the whole position of the ecclesiastical appropriation at the disposal of this Govt. should be carefully reviewed before reporting excesses or savings, if any, or before submitting proposals for reappropriations to them later in the year. This saving need not therefore be surrendered to the Govt. of India till December next when it is usual to submit to them Statements of anticipated excesses and savings under "28-Ecclesiastical" together with proposals for reappropriations and additional grants.

ENCLOSURES 5

SPARE COPIES

Adverting to Government Order No.Ms.51, Finance (Ecclesiastical) Department, dated the 15th of August 1932, I have the honour to state that of the sum of Rs.775/- sanctioned as Government's share towards the cost of electrifying Holy Trinity church at Bellary, only Rs.462-4-0 has so far been drawn, the reason for this being that the Accountant-General, Madras, authorised the payment of this amount on two occasions, as being half the amount which the church authorities had already expended. On the 24th of April last I wrote to the Accountant-General stating that a further sum of Rs.216-3-6 had been spent by the Church and asked him to issue orders to the Treasury Officer at Bellary to pay the Lay Trustee of the Bellary church the sum that is entitled to, namely, half this amount. In his reply the Accountant-General states that appropriation for payment of the entire grant to the church referred to in the Govern Order quoted above, was sanctioned last year, but that no provision exists for payment of the grant in the current and has suggested that application be made to Government the necessary provision of funds to meet the expenditure anticipated in the current year.

2 As it is too early in the year to anticipate how the budget for the current year will work, and in view of the fact that application for additional appropriation or re-

will be made sometime in November of this year, I beg to suggest that orders be issued to the effect that the Accountant-General, Madras, pass bills for payments up to Rs.512-12-0 when the Church Authorities shall have done the necessary work, this being the balance of the Government share of the cost of the installation. I beg further to request that if it is found that sufficient savings have not accrued by November to meet these bills I may then be permitted to apply for an additional grant.

I have the honour to be,
Sir,
